Vigilante Vixens Charter

Purpose Statement

In a digital realm of shadows and threats, the Vigilante Vixens rise as bold and agile protectors. Our mission is to unleash the power of resilience, intelligence, and innovation to secure the digital world and empower those who need our shield against the Goliaths of our world.

Objectives

★ **Inclusive Innovation** - to harness all of our ideas (big or small) with appreciation in order to form solid collaboration and increase inclusive innovation in Cybersecurity
★ **Elevation of Women In Tech** - to champion the support of women in the tech industry
★ **Community Engagement** - to train and share our knowledge with underserved communities

How will we manage team activities?

★ Management:
   ○ Through clear assignment of responsibilities per the Team Leader
★ Communication:
   ○ Maintain communication through the Signal app
★ Meetings:
   ○ Wednesday's 1 hour after weekly session
